

GLYDE-IN VISION

To enhance quality of life and reduce social isolation in the community through lifelong learning.

OUR MISSION STATEMENT

The Glyde-In Community Learning Centre provides a venue for learning, recreation and social participation.

STATEMENT OF PURPOSE

The Centre is a not for profit organisation where the membership and staff share responsibility for management. Its purpose is to foster community learning, recreation and social participation. Membership is open to all.

OBJECTIVES

To provide a non-political, non-sectarian facility for East Fremantle and the broader community. To provide classes, educational opportunities and recreational activities in response to community needs. To provide activities for members to help them to be active, healthy, happy and occupied, and to avoid alienation and isolation. To provide opportunities for people to share and exchange their skills. To create an environment in which personal and community development can take place in a friendly neighbourhood context. To perform any other tasks consistent with these objectives (as decided by the Centre).
