And what can a writer today learn from this about creating their own compelling characters? Alan will take you on a trip through time and Western culture, from Homer to Helen Garner, Margaret Attwood and Tim Winton - via Don Quixote, Jane Austen and many more. Whether you want to write your own story or understand better how stories have evolved, this is for you.

EUROPE AND AFRICA BEFORE IMPERIALISM: Early Modern Africa and the Forging of the Global Order

David Robinson AS4

Saturday 26 October, 2 - 3pm

Dominating stereotypes of Africa often portray African societies as primeval, static, isolated, undeveloped, and having little impact on the global order. David will challenge these myths by demonstrating the diverse patchwork of societies that developed via the interaction of their

indigenous conditions with influences from far afield. He'll explain how the interaction of European and African powers in the Early Modern Period established the international dynamics of the transcontinental trade triangles upon which the global order would develop over the coming centuries.

Lou Scampoli AS6

Thursday 31 October 9 - 10am

Join Birdlife WA volunteers for a talk on the wonderful native owls found in Australia. Australia has 11 species of owls and Lou will introduce them to you, talk about where they can be found and what factors are affecting their populations. Have you ever wondered how owls can rotate their heads 270 degrees without dying? Why do some owl species have a right ear hole that is higher than the left? Come along and find out. *Stay on for a screening of Sue Taylor's beautiful new documentary film 'Night Calling' which tells the story of Margaret River's journey to becoming an owl friendly community.*

THE BELITUNG SHIP, JEWEL OF MUSCAT, PHANOM-SURIN AS8

Tom Vosmer

Monday 18 November, 10 - 11am

The Jewel of Muscat was a reconstruction of a medieval trading ship of the Indian Ocean, based on the 9th century Belitung shipwreck. For millennia, all the ships of the Indian Ocean were sewn, their planks joined by cordage, their frames lashed into the hull. Not a single nail was used. Only two such ships have ever been discovered, the *Belitung* in 1998 (in Indonesia) and the *Phanom-Surin* ship in 2013 (in Thailand), three years after *Jewel of Muscat* was built and sailed to Singapore. Hear about the fabulous cargo discovered in the *Belitung* wreck, the archaeological research, and the design, construction and sailing of the vessel for 6000 km from Oman to Singapore. Tom, maritime archaeologist and director of the construction of *Jewel of Muscat*, will highlight what was learnt from the study of the *Phanom-Surin* shipwreck including what they got wrong in the reconstruction!

WHO WE ARE

Glyde-In Community Learning Centre has been operating since 1981. We offer courses, talks and activities that we hope will enrich members' enjoyment and knowledge, and foster a healthy community life. We aim to be a source of learning that doesn't cost the earth, that doesn't need prior knowledge or qualifications, and asks only a small commitment of time. Our courses are non-competitive and informal.

Glyde-In is a not-for-profit organisation managed by a

volunteer management committee. Our staff members work part time, and our volunteers play a significant role in the life of the Centre. A copy of Glyde-In's constitution can be found on our website.

Most of our funding is generated through membership and course fees. We are also grateful for the generous support of the Town of East Fremantle through provision of our building and ongoing operational funding.

HOW TO ENROL

Enrolments open Wednesday 9 October at 8.30am in person (or online from 9am) and continue through the term, spaces permitting.

Any enrolments received early are processed on Enrolment Day. If your choice of activity is full you will be placed on a waitlist and we'll contact you if a place becomes available. All courses require a minimum number of enrolments to proceed. We will let you know if a course is cancelled.

Please choose carefully as refunds or credits are not issued if you cancel after enrolment week. However if you find that you can't attend, you're welcome to transfer your booking to another person; just let us know in the office if you do.

We appreciate notification if you are not able to attend on the day.

Our enrolment form is on the last two pages and has a list of all courses and activities. Simply place an **X** against the ones you want. Circle the fees that apply, complete your name, membership and payment details. **A separate form is required for each person enrolling.**

Your receipt will list everything you're booked into and any for which you're on a wait list, as well as a list of things you might need to bring on the day, e.g. for an art class.

Non-members are able to take part in a single class or event per calendar year. If you wish to enrol in further activities, then a membership fee is required.

A WORD FROM THE CHAIR

Welcome to another term at Glyde-In.

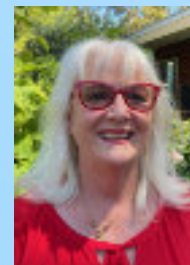

By the time you are reading this we will have had our Annual General Meeting and chosen a new Management Committee. I would like to thank last year's Committee for their dedication and hard work in helping Glyde-In to run smoothly and wish the new Committee all the best for the year ahead.

It is with much sadness that we say farewell to one of Glyde-In's life members, John Darby. I did not know John but several of our long-time committee members knew him for many years and speak highly of his dedication and great contribution to Glyde-In - including as treasurer and in introducing a range of sustainability projects in the garden. Vale John.

I hope you will find something to tempt you in this term's programme - as the weather warms up perhaps a bus trip to York or Harvey, or a visit to WA's Parliament House or the Law Courts. There are a range of talks on offer - from Australian owls, to the history of Rottnest Island, medieval sailing ships, political alliances in the Pacific, early modern Africa and the forging of the global world order, to the history of dance in WA. Or try one of the new theatre venues this term - the classic *Picnic at Hanging Rock* at The Old Mill Theatre in South Perth, or *21 Hearts* at 180 Theatre in Como.

We look forward to seeing you at Glyde-In over the coming months.
